Parish Census

Just as Mary and Joseph were called to Nazareth to take part in a census, so are the parishioners of St. Frances Cabrini. If you have already completed the census survey either online or in writing and turned it in, thank you. If not, it is requested that each family complete a census survey. Even if nothing has changed, it is very important that a survey is completed. It is important for the parish and diocese to know we have accurate records. This allows us to verify that what we have is accurate. You may do this one of two ways: Online - Simply go to StFrances.net and look for the link on the home page. Paper Form – Pick one up by any other church entrances and drop completed forms in the baskets by the doors or at the parish office.

Censo de la Parroquia

Al igual como María y José fueron llamados a Nazaret para participar en un censo, también los feligreses de St. Frances Cabrini. Si ya ha completado la encuesta del censo ya sea por internet o por escrito y la ha entregado, gracias. Si no la ha llenado, se solicita que cada familia complete una encuesta del censo. Incluso si nada ha cambiado, es muy importante que una encuesta sea completada. Es importante para la parroquia y la diócesis saber que tenemos un registro exacto. Esto nos permite verificar que lo que tenemos es exacto. Puede hacer esto de dos maneras: por internet - Simplemente vaya a StFrances.net y busque el enlace en la página principal. Forma de papel - Adquiera una en las entradas de las iglesias y dejar las formas completas en las canastas junto a las puertas o en la oficina de la parroquia.

GOSPEL REFLECTION:

Habakkuk 1:2-3; 2:2-4
2 Timothy 1:6-8, 13-14
Psalms 95:1-2, 6-9
Luke 17:5-10

"Increase our faith." —Luke 17:5

"When Habakkuk prayed, he cried out, "Violence!" (Hab 1:2) He described his situation as "ruin," "misery," "destruction," "strife," and "clamorous discord" (Hab 1:3). He begged God to intervene (Hab 1:2), but God didn't seem to do anything.

We live in times which fit Habakkuk's description. We live in the most violent and murderous of times for several reasons. One major reason is the mass murders occurring through abortions. We tend to feel depressed and hopeless. However, the Lord calls this a "rash" response to the violence and evil in our society (see Hab 2:4). Rather, our response should be one of faith (Hab 2:4). If we have faith the size of a mustard seed, we can uproot the violence and death entrenched in our society (Lk 17:6).

Pope St. John Paul II taught: "If we look at today's world, we are struck by many negative factors that can lead to pessimism. But this feeling is unjustified: we have faith in God our Father and Lord, in His goodness and mercy" (*Mission of the Redeemer, 86*). Therefore, despite violence and sin, don't be pessimistic, but have even greater faith. Walk by faith, not sight (2 Cor 5:7)."
